SO HOW'S THE NEW BUILD COMING ON?

We are excited to advise that we have raised a staggering £35,000 towards our new building so far! We have also just received a donation from Helping Hands in Tadley for £2,500 which is fantastic! Massive thanks to Sarah Spencer for working so hard on this and all the other applications she is working away on:) We are in contact with local companies with regards to donating or supporting our project with their services or products, which will help bring our overall cost down and allow us to get the building up quicker! If you know of, or are able to help in any way, please let us know:)

WE'RE OFF ON A TRIP...

Thursday 23rd June 2016

Preschool is closed on this day as we are taking a trip out to Beale Park. The park opens at 10am, so feel free to arrive as and when you are ready! At least one of us will be stationed in a central location during the day (10am-2pm) around the park area, which is also where we will be looking to gather for a picnic lunch all together if you'd like to join us.

In the week leading up to the trip, I will send out a map of the park and note some other things you can do on the day. Now fingers crossed the sun will shine!!

REMINDERS!!

Please can everyone ensure:

- ⇒ Your child has suncream applied before they come to preschool as we will be going straight outside when we open
- ⇒ ALL ITEMS TO BE NAMED—pls could you place named bags under your child's peg as with our ever growing child numbers, the pegs are very full and cardis/coats fall off lots!
- ⇒ SUN HATS PLS—we have a few of our own, but the children prefer to wear their own normally!
- ⇒ Change of clothing—water play will feature heavily, so pls supply extra!!
- ⇒ NO NUTS and minimal chocolate items for snacks and in lunches.

We thank you for your co-operation:)

AGM Thursday 30th June 9.30

Our Annual General Meeting for our Parent Management Committee is coming soon and we have vacancies for a Treasurer and a Secretary.

If you are interested in either position, please speak to Amanda.

Alternatively, you can just turn up on the morning and see what we do:) Refreshments will be available!!

CAR PARK

Sorry to have to mention this again, but please can we ensure you are not parking by the entrance to the preschool as this is not safe for others approaching.

Reminder too that unless you hold a disabled badge, you are not allowed to park in the disabled parking bays—afraid I get regular emails from the Parish Council advising of this!!

We're on Facebook!

If you're part of the world of the wonderful web, you'll be pleased to know we have a Facebook Page just for us!

Please like us on Facebook under Impstone Preschool where Becky will be updating this with everything we are doing and planning to do, plus reminders of things happening!

TOILETING HABITS

Over the last few weeks we have seen an increase in children needing to come in to use the toilet before 9.15am, which, while we won't stop the children doing this, this does mean that we are delayed in setting up and also in our staff meeting which we have before we open every day—hence the reason why we may be late opening some mornings!

PRETTY PLEASE...

Polite reminder that the team are not allowed to discuss ANY preschool issues or events outside of Preschool hours—especially when they're out with their families or shopping!! You can contact us any time via email, telephone/text or Facebook if you have any out of hours queries.
Thank you:)

Mum's Get Crafty Week w/c 13th June 2016

You should hopefully have received mini letters in your drawers regarding Mum's Craft Week next week! This is the ladies chance to come in and help their child make a craft for the important man in their life—be it their Dad/Grandad/Uncle.

As always, craft packs will be made up, so you can either stay when you drop your child one morning, take a pack home to do or let us know and we can do it with them at Preschool.

Kids Klub Adventure Video Productions

Kids Klub Videos Thursday 9th June

On Thursday we will have a visit from our fun Video Man Mark from Kids Klub!

Throughout the day the children will get the chance to be part of their own video experience with a Farm Yard Theme.

All children that attend that day and that want to take part will get the chance to do their own video and you will be sent home a sample of the DVD which will be available to buy, however you are under no obligation to do so. I also want to take this opportunity to apologise for this being so close to the Photo company coming in, we had them scheduled with quite a time apart, however Tempest had to reschedule us and we didn't want you to miss out on either of these wonderful opportunities!

LOST PROPERTY

Over the course of a week we manage to accumulate large amounts of lost property.

There will now be a box that is kept in the lobby in which we will put any unclaimed items every day. At the end of each half term, anything that is still in this box will be taken to the charity shop.

Please can we also remind everyone that ALL children's items need to be named, clothes, shoes, bags, snack tubs as we can then ensure this goes home with you on a daily basis.

We thank you in advance for your help with this:)
